

ZOOM MEETING 8.00PM MONDAY, 24TH AUGUST 2020

AN EVENING WITH PAULA & GUY DAVIES

Copyright Paula Davies FRPS EFIAP/s EPSA

This promises to be a very special evening to commence our series of Zoom lectures with a talk by two esteemed photographers from the North of England who we would not normally get the chance to see. They are both Permajet sponsored lecturers but as printing is out at the moment they have devised a Zoom experience especially for us.

Paula Davies FRPS, EFIAP/s EPSA describes herself as a butterfly photographer prepared to take anything but gets particular pleasure from photographing abstract images or man-made objects that look like landscapes.

Guy Davies ARPS, EFIAP, EPSA enjoys landscape and cityscape photography in mostly colour but still gets a buzz from creating a good monochrome.
